

EcoBest™ Concrete Etching Cleaner Advantages:

- Non-Corrosive
- Non-Fuming
- Deep Cleans Pores
- Removes Efflorescence
- Removes Rust
- Profiles Concrete
- Biodegradable
- Renewable Ingredients
- No V.O.C.'s

Typical Uses:

Prepares Concrete for Coatings and Deep Cleans for a Like-New Appearance. Use on Concrete, Masonry, Pavers, Fiber Cement, Plaster, Stucco and more...

Manufactured By

Made in the U.S.A.

EcoBest™ Concrete Etching Cleaner

Made with an advanced organic chemical mixture from rapidly renewable resource ingredients that acts like muriatic, hydrochloric and phosphoric acid blends, yet is not corrosive to skin or metal.

EcoBest™ Etching Cleaner was engineered with the perfect balance of safety and effectiveness to thoroughly prepare cementitious surfaces by opening the pores and deep cleaning contaminants without unnecessary safety risks to people or the environment. Packaged with bi-lingual labeling to reach a wider demographic consumer.

EcoBest™ Concrete Etching Cleaner is an organic water-based non-hazardous, non-corrosive, biodegradable cleaner used to etch and clean concrete surfaces to achieve optimum bonding for stains, coatings, and sealers without the use of phosphoric, hydrochloric or muriatic acids.

It also is a great deep cleaning solution to help bring back like-new appearance to discolored concrete that has been abused with ground in dirt, efflorescence, and stains.

Unlike other etching blends, EcoBest™ will not burn skin or corrode metals. It works immediately upon contact by a chemical foaming reaction with the calcium and lime content in the cement substrate. It will not react to metals, yet will do an excellent job of cleaning rust from metals and even wood substrates.

It effectively removes efflorescence, rust, deep ground in dirt and other stains that have penetrated the pores. Use it on virtually any cementitious substrate as long as all barriers such as sealers, finishes, coatings, etc. have been removed.

Available in 1 Gallon (Item# EB-EC2430-1), 5 Gallon (Item# EB-EC2430-5)

ITEM #	PRODUCT	UPC	SIZE	QTY/CS	Pallet/CS Qty	CASE WT
EB-EC2430-1	Concrete Etching Cleaner	811918011404	1 Gal	4	45	34 lb
EB-EC2430-5	Concrete Etching Cleaner	811918011626	5 Gal	1	48	43 lb

(Direct Sale: Minimum 9 Cs Per 1 Gallon SKU in 9 Cs Increments. Minimum 12 Cs per 5 Gallon SKU in 12 Cs Increments)
