## EcoBest™ Gloss Finish Sealer

Made with an advanced bio-based soy ester resin and other rapidly renewable resource ingredients for a petroleum-solvent free multi-use sealer.

Engineered for interior and exterior applications where a durable protective gloss sheen finish is desired. It exhibits outstanding early drying and water resistance for a fast return to service. Packaged with bi-lingual labeling to reach a wider demographic consumer.

**EcoBest™ Gloss Finish Sealer** is a superior eco-friendly multi-use sealer engineered for both interior and exterior use. Beautiful protective gloss finish for use on concrete, masonry, wood, plaster, fiber cement, brick pavers, natural stone and more.

Available in 1 Gallon (Item# EB-GFS2230-1), 5 Gallon (Item# EB-GFS2230-5)
